What: Join us for a day-and-a-half gathering that will help you strengthen your community's health through programs that support healthy eating and active living (HE/AL). There are national trends affecting HE/AL efforts. At this year's convening, we'll explore those trends; strengthen skills to advance HE/AL programming; and learn about successful strategies to help people get moving and eat healthy.

Who: We welcome community groups, nonprofits, representatives of churches and faith-based organizations, community leaders and more. **Priority is given to participants from Tier 1 and Tier 2 counties. Participation is FREE, but registration is REQUIRED.** Meals, lodging (if needed) and mileage provided. Limit *3* participants per organization.

Register: Visit <http://heal2015.eventbrite.com> to register by May 17! Call Donna at 919-951-0116 with questions.
