Through the program, community-based teams from gateways to public lands located in an Appalachian county served by ARC will participate in:

- 2 pre-workshop webinars
- a multi-day, in-person workshop (optional tour April 15, core workshop April 16-18, 2024, Decatur, AL)
- 2 post-workshop webinars
- coaching throughout

We will provide teams the skills & knowledge to:

- leverage natural & cultural assets
- revitalize downtowns
- promote arts & culture opportunities
- build cultural heritage & natural resource tourism
- create lasting economic opportunity
