### **Alternatives to Conservation Banking (Part II) – Programmatic Approaches to Mitigation**

Presented live on **February 4, 2021**, this webinar -- second of a two-part mini-series on alternative compensatory mitigation tools -- includes an in-depth look at programmatic approaches such as In-Lieu Fee (ILF) programs and how they are different than banks and when to use them. The session looks at examples from across the country and discusses key lessons learned.

It is recommended that participants view [Webinar 1: The Market & Regulatory Drivers for Conservation Banking](#) prior to viewing this webinar.
