Savannah, Georgia 31401

Dear Mr. Park:

I refer to your email dated January 22, 2014, requesting the minor modification of the instrument for the Georgia Land Trust In-Lieu Fee Program, approved November 26, 2013. This project has been assigned number SAS-2011-00779 and it is important that you refer to this number in all communication concerning this matter.

The proposed modification is to increase the amount of advance stream credits available in the Withlacoochee Service Area, Hydrologic Unit Codes 03110201, 03110202, 03110203, 03110204, 03110103, 03120001, 03120002, and 03120003. The modification would increase the number of advance stream credits available for sale from 1,118 to 19,190. Pursuant to Title 33 Code of Federal Regulations, Part 332.8(g)(2), the "Compensatory Mitigation for Losses of Aquatic Resources; Final Rule" published in the Federal Register, Volume 73, Number 70, the U.S. Army Corps of Engineers considered this a minor modification to the instrument. The modification has been coordinated with the Inter-Agency Review Team and no adverse comments were received.

Based on our review, I have determined that the approval of this modification is warranted. This modification is subject to the terms and conditions of the original Instrument. If this modification is agreeable, sign both the original and duplicate copy. Please retain the original for your records and return the signed duplicate to this office.

Copies of this letter are being provided to the following parties: Ms. Jennifer Welte, Georgia Department of Natural Resources, Environmental Protection Division, 7 MLK, Jr. Drive, Suite 450, Atlanta, Georgia 30334; Ms. Robin Goodloe, U.S. Fish and Wildlife Service, 105 Westpark Drive, Suite D, Athens, Georgia 30606; Mr. Tony Able, U.S. Environmental Protection Agency, Wetlands Protection Section, Region IV, 61 Forsyth Street, SW, Atlanta, Georgia 30303-8960; Mr. Pace Wilbur, 219 Fort Johnson Road, Charleston, South Carolina 29412; and Ms. Kelie Moore, Georgia Department of Natural Resources, Coastal Resources Division, One Conservation Way, Brunswick, Georgia 31520-8686.

Thank you in advance for completing our on-line Customer Survey Form located at http://corpsmapu.usace.army.mil/cm_apex/f?p=regulatory_survey. We value your comments and appreciate your taking the time to complete a survey each time you have interaction with our office.

If you have any questions, please call William Rutlin, Project Manager, Coastal Branch, at 912-652-5893.

Sincerely,

David M. Lekson, PWS
Chief, Regulatory Division

Georgia Land Trust hereby accepts the terms and conditions of this instrument modification.
